INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Fox Valley United Way
Aurora, Illinois

Opinion

We have audited the accompanying financial statements of Fox Valley United Way (a not-for-profit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Fox Valley United Way as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fox Valley United Way and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fox Valley United Way's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fox Valley United Way's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fox Valley United Way's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

FOX VALLEY UNITED WAY
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 With Comparative Totals for June 30, 2021

1. ORGANIZATION

Fox Valley United Way (the Organization) is an incorporated not-for-profit organization governed by a volunteer board of directors. The Organization provides services for planning community activities and fundraisers, evaluating individual agency programs, informing the community of various activities it sponsors, and helping solve community problems. Funds are raised from the businesses and people of the Fox Valley area including Central and Southern Kane and Kendall counties through an annual campaign appeal. The program services of the Organization include allocating campaign collections to various community social service agencies, public information and community awareness, and sponsoring a website that connects volunteers with local nonprofit agencies through the Volunteer Fox Valley program.

During the year ended June 30, 2020, in response to the COVID-19 crisis, the Organization partnered with four other local grant makers in the Fox Valley region and established a COVID-19 Relief Fund to support nonprofit agencies.

The SPARK (Strong, Prepared And Ready for Kindergarten) program of Fox Valley United Way strives to empower diverse families and children to attain full success in learning and life by ensuring all young children in Aurora and the Fox Valley area have equal access to exemplary early childhood care and education. SPARK improves and strengthens the early childhood system by 1) educating and informing parents and the community about the importance and value of an early childhood education, the impact it has on children's success in school and life and connecting them with programs and services; 2) ensuring professional development of early childhood education teachers and learning center participation in the statewide Quality Rating Improvement System; 3) coordinating a system in which school districts, community-based early childhood programs, and community agencies serving families and children work as one unit to ensure that the area's young children have the resources, knowledge and skills to be Strong, Prepared, and Ready for Kindergarten.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP) and with the financial statement standards of United Way Worldwide.

Basis of Presentation

The Organization has presented its financial statements in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-205, *Not-for-Profit Entities, Presentation of Financial Statements*.

FOX VALLEY UNITED WAY
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 With Comparative Totals for June 30, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Presentation (continued)

ASC 958 requires not-for-profit organizations to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions - Net assets available for use in general operations and not subject to donor-imposed (or grantor) restrictions. These net assets are available to support the Organization's activities and operations at the discretion of Fox Valley United Way's management and the board of directors.

Net assets with donor restrictions - These net assets are subject to stipulations imposed by donors or grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where the donor has stipulated the funds be maintained in perpetuity.

Prior Year Summarized Comparative Information

The financial statements include certain prior year summarized comparative information. In the statement of activities, prior year information is presented in total but not by net asset class. In the statement of functional expenses, comparative prior year expenses are presented in total rather than by functional category. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2021, from which the summarized information was derived.

Cash and Cash Equivalents

The Organization considers short-term highly liquid investments purchased with a maturity of three months or less to be cash equivalents. Short-term investments consist of bank money market accounts and repurchase sweep accounts.

Property and Equipment

Office equipment, furniture and fixtures are recorded at cost or, if donated, at the estimated fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Generally, the Organization's policy is to capitalize assets with a cost exceeding \$500. Depreciation expense for the years ended June 30, 2022 and 2021 was \$5,240 and \$3,477, respectively.

FOX VALLEY UNITED WAY
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 With Comparative Totals for June 30, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Campaign Pledges Receivable and Allowance for Uncollectible Amounts

Each fall the Organization conducts an annual fundraising campaign whereby it solicits voluntary contributions from the general public in the Fox Valley area in the form of cash contributions and pledges to make future cash contributions. The Organization's ability to collect pledges can be affected by local economic conditions. The Organization uses the allowance method to determine uncollectible promises receivable. The allowance is computed based upon historical averages adjusted by management's estimate of current economic factors that could affect pledge collections. After two years, uncollected campaign pledges are written off. Current campaign pledges receivable are included in net assets with donor restrictions net of the allowance for uncollectible amount.

Contributions

Gross campaign results consist of cash and unconditional promises to give to the Organization received during the annual fundraising campaigns and include contributions processed by third-party processors. Conditional promises to give are not recognized until they become unconditional, that is, at the time when the conditions on which they depend are substantially met. Campaign contributions are released from restriction in the current year to the extent of allocations to community agencies approved for the following year.

Contributed property and equipment are recorded at estimated fair value at the date of donation. If donors stipulate a time or use restriction, the contributions are recorded as contributions with donor restrictions. In the absence of such stipulations, contributions of property and equipment are recorded without donor restrictions.

Other contributions and grants received are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or are restricted by the donor for support of specific programs or solutions for community problems are reported as net assets with donor restrictions and are reclassified to net assets without donor restrictions upon fulfillment of the time or purpose restriction.

Donor Designated Contributions and Designations Payable

Donors may choose to designate contributions to be distributed to a specific agency or another United Way. Such contributions are referred to as donor designations. The collection of these contributions and distribution to specified agencies or United Ways are transactions in which the Organization is acting as an agent. These transactions are not reported in the statement of activities as revenue and expenses, but are included in gross campaign results then deducted as donor designated contributions before arriving at net campaign revenue.

FOX VALLEY UNITED WAY
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 With Comparative Totals for June 30, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Donor Designated Contributions and Designations Payable (continued)

Designations payable are recorded at the time the related pledge is received and reflected in net campaign revenue. Amounts are remitted to the beneficiary agencies as the related pledges are received from the donors.

In-Kind Contributions

The Organization receives and records various types of in-kind contributions consisting of equipment, supplies, food, advertising, computer support, printing and other services. Contributed goods and services are recognized at fair value when received. If donors stipulate a time or use restriction, the contributions are recorded as contributions with donor restrictions. In the absence of donor-imposed restrictions, in-kind contributions are recorded as contributions without donor restrictions.

Contributed services are recognized at fair value if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Although the Organization receives a significant amount of contributed time from volunteers, this time does not meet the recognition criteria and accordingly, is not reflected in the accompanying financial statements.

Allocations to Agencies

Allocations to partner United Way agencies are recorded as expenses when they are approved by the Board of Directors and communicated to the respective agencies. These allocations are generally payable within one year. Allocations payable amounting to \$37,091 at June 30, 2022 consist of amounts approved for payment beginning July 1, 2022 from the 2021 campaign revenue and are included in the amount released from restriction on the statement of activities. At June 30, 2021, allocations payable from the 2020 campaign amounted to \$38,245.

Functional Expense Allocations

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying financial statements. Expenses that can be directly identified with a program or supporting services to which they relate are charged to the program or supporting service accordingly. Other expenses have been allocated among the program and supportive services benefited based on the average of number of employees, time spent, dedicated square footage or on a direct cost basis consistent with the standards for allocation of functional expenses in accordance with generally accepted accounting principles and United Way Worldwide.

FOX VALLEY UNITED WAY
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 With Comparative Totals for June 30, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Advertising Costs

The Organization expenses advertising costs as incurred. Expenses incurred were \$15,242 and \$12,069 for the years ended June 30, 2022 and 2021, respectively.

Income Taxes

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and has been classified as a public charity pursuant to a letter from the U.S. Treasury Department dated March 20, 1963. In addition, the Organization is exempt from Illinois income taxes. Accordingly, no provision for income taxes is included in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and the differences could be material to these financial statements.

3. PLEDGES RECEIVABLE

Pledges receivable consisted of the following as of June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>

Accounts receivable - other	\$ 250	\$ 250
Rent deposit	2,000	2,000
	<u>\$ 2,250</u>	<u>\$ 2,250</u>

The Organization considers the receivable to be fully collectible; accordingly no allowance for doubtful accounts has been established.

5. EMPLOYEE PENSION PLAN

The Organization has a defined contribution pension plan covering all eligible employees. Eligible employees are persons who have at least one year of service with the Organization. During the years ended June 30, 2022 and 2021 the Organization contributed 5% of all participants' compensation to the Plan. The Organization's pension plan expense for the fiscal years ended June 30, 2022 and 2021 was \$13,281 and \$15,231, respectively.

6. COMPENSATED ABSENCES

12. INCOME TAXES (continued)

The Organization has adopted guidance issued by the Financial Accounting Standards Board (FASB) relating to uncertain tax positions. The Organization's policy is to classify income tax related interest and penalties in interest expense and other expenses, respectively. The Organization has analyzed tax positions taken and believes that income tax filing positions would be sustained upon examination and does not anticipate any adjustments that would have a material adverse effect on the Organization's financial condition, results of operations or cash flows. Accordingly, there were no interest or penalties recognized for uncertain tax positions during the year ended June 30, 2022, and there were no accruals for interest and penalties at June 30, 2022. The 2019-2021 tax years for federal and state of Illinois income tax returns (the Organization's major tax jurisdictions) remain open and are subject to examination.
